A MESSAGE FROM THE PRESIDENT

Members of the California State Numismatic Association and any individual who is interested in Numismatics

Again it is our privilege to meet in San Jose, California, as guests of the Todo Dinero Coin Club. We realize that there are always some that cannot be in attendance, but there are others whom we can always contact that will be pleased to attend this meeting. The Todo Dinero Coin Club and its energetic members have spared no effort to arrange a pleasant program for us. If you have a boy or girl in your home, gradually get them interested in Numismatics. Don't push it on them too hard, and bring them with you to this convention. Someone will have to carry on the hobby when we are no longer here, so pass the word along to all your friends. Come to San Jose for a three day meeting and you will be well repaid.

Numismatically yours,
Calvert L. Emmons, M.D.

CALIFORNIA COIN CLUBS

HANFORD COIN CLUB

On Tuesday evening, January 7, 1947, ten interested Hanford coin collectors met at the home of Fred Tinkham and formed the Hanford Coin Club. Charter members were Merrill Cole, E. D. Edwards, Gene Edwards, Gus Heintz, Esther Phipps, Obel Phipps, Lawton Ripsom, Adam Serpa, Forest Speck, and Fred Tinkham.

Officers elected were Fred Tinkham, President; Gus Heintz, Vice-President; Gene Edwards, Secretary-Treasurer; and Merrill Cole, Auctioneer. During the year, nine additional members were added to the club, five from Hanford, one from Fresno, two from Kingsburg, and one from Bakersfield.

Club membership is maintained in the American Numismatic Association, and the California State Numismatic Association. Ten members hold membership in the A.N.A. and several in the C.S.N.A. Several of the members are also affiliated with the San Joaquin Valley Coin Club in Fresno.

The club had a large exhibit in a local store window during National Coin Week in 1947 and 1948 and plans are under way for another exhibit in 1949

Officers for 1948 were Obel Phipps, President; Fred Schaffer, Vice-President; Fred Tinkham, Secretary-Treasurer; and Edward Fish, Auctioneer.

The club meets on first Tuesdays at the homes of members.

NATIONAL COIN WEEK

April 22-28, 1949

Sponsored by

The American Numismatic Association

Mr. Loyd Gettys, President of the American Numismatic Association has designated the week of April 22-28 as National Coin Week, and named Mr. Abe Kosoff of Beverly Hills as chairman with Mr. Christian M. Petersen of Chehalis, Washington as assistant chairman. On the awards committee is Mr. Jack Ogilvie of Los Angeles. All three are members of the C.S.N.A.

Standards for displays, instructions and prizes are listed on page five of the January Numismatist. Competition is open both to clubs and to individuals, with prizes offered for both.

It would be nice to win a prize, of course, but the real satisfaction a true collector will get will be the joy of having an opportunity to show his hobby to the public. We cite the instance of a chap we know in a small California town of perhaps five or six hundred people. He is probably the only numismatic in town. Without any bally-hoo during National Coin Week he made a display of his collection in a prominent window in the town, he wrote and had published in the local paper an article on coins and National Coin Week, and finally he went to the local school and made a talk on coins to the school children. He didn't win any prize, but he had a lot of fun.

SECRETARY'S PAGE

Dear Feller Numismatists:

This here secertary's page don't amount to nuthin' nohow, and that's how come its the last page. If we ain't got enuf room we can leave it out and nobody won't miss nuthin'; and if we ain't got enuf stuff to fill the durn book we can put it in and nobody won't look at it anyhow so they won't miss nuthin' anyway you look at it. But we gotta put some-
thin' on the last page or everyboddy will think the printer made a mistake and write in to find out what was left out. So this is it.

Yuh know, this here job of being secretary of this outfit has turned out to be a pretty good job. I allus got plenty of readin' matter and every day or so when I open a letter out drops a couple of moth eaten dollar bills what should a been sent to the cleaners long ago. I ain't never been able to figger out why when fellers pays there dues they sends in the worst lookin' bills they kin find in the hull town they lives in, and you kin imagin whut a bill thet comes from a town like Los Angeles looks like.

Anyhow it don't make much difference. I bin able to pass them on. It says in this here bulletin to make your reservations early so I done sent in five of the moth eatingest bills to that there Hotel Sainte Claire in San Jose you ever saw, and iffen that hotel kin git any nourishment out of them there bills they are welcome to 'em.

I notice in this here bulletin thet it says there will be election of officers, so mebbe some of you fellers what has a itch to be a secretary will want this here job. I kin recommend it, since i hev now hed it fer two hull years. Yuh won't git very rich at it but it will surprise yuh to find out how many friends it will git yuh.

See yuh in San Jose,

The sec.
